

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

At its meeting held April 6, 2004, the Board took the following action:

Supervisor Antonovich made the following statement:

“A portion of Rosemead Boulevard between the Foothill Freeway (I-210) and the San Bernardino Freeway (I-10), presently a State Highway, is within County unincorporated area. In an effort to improve this portion of Rosemead Boulevard, the County is working with the State to relinquish jurisdiction of that road segment to the County. Cooperative efforts are under way with State technical staff and Senator Jack Scott, who introduced Senate Bill 1375 to accomplish the relinquishment. The relinquishment would allow the County to construct improvements that would improve the infrastructure and appearance of Rosemead Boulevard, a long-standing concern of residents in the communities which adjoin Rosemead Boulevard, Chapman Woods and Michillinda Park. The County’s acceptance of the relinquishment is contingent upon the terms and conditions of a future agreement between the State and the County. Funding to bring the roadway to acceptable County standards will be provided by the State as part of this agreement.

“With respect to future maintenance, funding for maintenance of the relinquished portion of Rosemead Boulevard will come primarily from State gas tax funds allocated to the County and programmed in the Fifth Supervisorial District.”
